Aspen™ Series

by: Horizon Furniture

Aspen™ series seating is value for your money! Ergonomic adjustments and comfort contoured, injection molded and dual density foam provide support and encourage proper posture for increased comfort and productivity. Aspen™ seating is completely customizable, allowing you to select the features and accessories that you need without paying for the ones you don't.

Value Added Seating

A wide variety of mechanism and armrest options and a complete range of accessories make Aspen™ Series seating completely customizable to suit your needs. Choose from a vast selection of quality fabrics and leathers to create the look that is right for you. See Price Guide for more information on available options.
