

Articulating Keyboard Systems

A key component of an ergonomic workstation, a well-designed articulating keyboard system works in conjunction with a monitor arm and task chair to promote healthy, comfortable posture. Horizon ECA keyboard supports literally bring the work to you, allowing you to sit back in your chair while providing serious protection from carpal tunnel syndrome, neck and back pain, and other musculoskeletal issues.

EB-02 EcoBoard 02 Specifications

EB-02 EcoBoard 02
