

"A company is more than just the building, the façade, the marketing, the product. It is about the *people* who represent the company, the *communication* within the company and the *service* we provide. This is what sets us apart from other suppliers.

People buy from People." - Patrick Flanagan Vice President

Horizon Furniture™ is a leading manufacturer of Ergonomic Office Seating and distributor of Ergonomic Computer Accessories based in Kitchener, Ontario. Established in July 1988, this local manufacturer and distributor has been serving Canada for over 25 years. It all started in the basement of the founding fathers household, and grew into the 42,000 ft² facility that you see.

Horizon Furniture™ values the process and strives for a total experience for their clients. As a family owned business, the family values of the company are extended to their employees and to their customers, which is evidently the highest priority. This is what makes Horizon Furniture™ stand out from others; maintaining and developing relationships as their pinnacle of success.

Research and development is a keen area for Horizon Furniture™. They continue to develop new and interesting products based on customer feedback, ergonomic principles and advances as well as and industry design trends. Recently, Horizon Furniture™ has attained a Supply Arrangement with the Government of Canada. This is one of the many clients they support as their client base continues to expand.

Horizon Furniture™ is the trusted name in Office Seating manufacturing thanks to their advocacy for environmentally friendly alternatives. This includes wood that is certified and sourced by the Forest Stewardship Council FSC, BioFoam™ which is sourced from a seed-based renewable resource, fabrics constructed from recycled materials, as well as how 95% of all waste produced by the facility is recycled. This is a testament to the values of Horizon Furniture™ and the future generations.
